Rest of the day at leisure to relax on this beautiful island. This is the most famous of Greek Islands in the Aegean Sea and one of the world's most popular holiday resorts. Mykonos is a grand example of unique Cycladic architecture set around a picturesque fishing-village bay. Totally whitewashed organic cube-like buildings fit closely together to form a kind of haphazard maze of narrow alley ways and streets. The earthen colors of the bare hills which surround the town's gleaming whiteness is set between the aura of an incredibly blue sky and even deeper blue sparkling sea. Its many well preserved windmills and hundreds of tiny red-roofed churches adds a flavor of culture and custom to the scene, enhanced even further by many museums and the historical ancient site of nearby Delos. Put this together with all the island's other qualities and it is no wonder Mykonos has been often named "the jewel" of the Aegean Sea. Relax in your resort. Overnight at the resort.

Day 04 Mykonos Island

After breakfast, day at leisure to explore the place on your own or relax at your hotel. Mykonos is a wonderful kaleidoscope of cosmopolitan shops, rocking bars, quaint windmills, homey taverns and hidden churches all set against a brilliant blue backdrop. And it's not just the water that sparkles in the sun on Mykonos, but also the white marble streets and buildings that characterize the island's architecture. The beaches on the south shore of the island are the most popular with fine sand and water that is perfect for swimming. Ornos and Psarou beaches are the favorite among families, but Psarou is also ideal for water sports of all kinds, including windsurfing, water-skiing and diving. Paradise and Super Paradise beaches attract the young and beautiful while the quiet cove at Agrari beach is the place to relax. Take a break from the beach and explore the capital town of Chora, wander the streets of Little Venice or check out one of the island's monasteries to take in some history. At night it becomes clear why Mykonos is touted as one of the most hedonistic islands around, with a wild night life fit for Dionysus. The party starts with a toast to the sunset in Little Venice and continues through the night at the dance clubs and bars tucked away in town or along Paradise Beach. Overnight at the resort.
